

The Waterloo Wind Farm Community Liaison Group (CLG)

As owners of the Waterloo Wind Farm, we're keen to listen to what the community have to say.

To develop a positive working relationship with the Mid North community, we have established a Community Liaison Group. The Waterloo Wind Farm Community Liaison Group enables us to exchange information and ideas and help us obtain a greater understanding of local needs, priorities and expectations.

The group meets four times a year.

If you would like to nominate to take part in the Community Liaison Group please complete this form and return to the group's independent facilitator, Georgina House.

Membership of the Community Liaison Group is open to all members of the community who have a clear interest in or connection to the Waterloo Wind Farm wind energy facility. Community groups, organisations or stakeholder groups with more than one person interested in attending are encouraged to nominate a representative.

I wish to nominate for the Waterloo Wind Farm Community Liaison Group (please tick).

Your details:

Name

Address

Email Phone

I am a representative from

Other (please specify)

If relevant, please state the name of the organisation or group you represent

What interests or experience do you bring to the Community Liaison Group?

Thinking about nominating but would like more information first? We would be happy to contact you to answer your questions.
